

CALLONWOOD COMMUNITY POOL POLICY

- 1. The pool area is for Callonwood residents.**
- 2. A \$2 fee per day will be charged for all guests. Guests must be accompanied by a resident at all times.**
- 3. There is a limit of 5 guests per day per household.**
- 4. Any number over the 5 guest limit is considered a party and must be arranged in advance with the pool management company at the Owners expense. This is a regulatory safety requirement that determines the number of life guards needed.**
- 5. The pool guest fee is required for all party guests for use of the facility.**
- 6. On the day of the scheduled party, the responsible resident should submit a guest list and all guest fees to the gate keeper.**
- 7. All guests, upon arrival, should indicate to the gate keeper that they are party guests.**
- 8. All party activities must be located under the clubhouse overhang on the tables provided. Other than the use of the pool, party activities may not interfere with the use of the general pool area for the other residents.**
- 9. All established pool rules are in effect for private parties. The responsible resident must ensure that all guests abide by them.**
- 10. The life guards have the discretionary authority to close a party that disregards this pool use policy, the established pool rules, and/or engages in inappropriate behaviors or becomes a nuisance to the general pool environment.**

It is the responsibility of each resident to abide by this policy. The goal is to provide a safe and pleasing environment for all residents.
